Main news

- Japan is expanding emergency restrictions to eight more prefectures as Tokyo reports 5,042 new daily coronavirus cases, record high since the pandemic began. Officials worry about strains on the medical system in Tokyo as it hosts the Olympics.
- COVID-19 vaccination rates have increased by 16 percent across the US as officials keep warning against highly contagious Delta variant.
- New York City Mayor Bill de Blasio announced on Tuesday the first government-issued mandate in the United States requiring proof of COVID-19 vaccination for people to take part in indoor activities.
- 3,000 French security deployed in Paris on Saturday for a third weekend of protests against the pass required to enter crowded places.
- Thailand has reported a record number of new coronavirus cases (20,200) and deaths (188) since the start of the pandemic last year, increasing the likelihood that virus-related restrictions will be extended.
- Germany will start offering COVID-19 booster shots in September and will make it easier for 12- to 17-year-olds to get vaccinated amid concerns about the spread of the Delta variant.
- Pfizer and Moderna, the manufacturers of two of the most effective COVID-19 vaccines, have raised the prices of their jabs in their latest European Union (EU) supply contracts.
- Food giant Tyson Foods will be the first major employer of front-line workers to require all its employees in the US to get vaccinated against COVID-19.
